Wearing Wood â?? The World of Wood-based Textiles

Description

At the MWP Symposium held on October 11, 2022, the co-recipient of the Marcus Wallenberg Prize 2022, Prof. Herbert Sixta, addresses the research that he and Prof. Ilkka KilpelÃ¤inen are awarded for.

We are happy to announce that the recordings of the symposium are available on our YouTube channel. Please watch and listen to the presentations about sustainable concepts for wood-based textile fibres here.
